Family circumstances do not allow me/us to make an estimate of giving for 2025, but I/we will support GUMC with our prayers, our presence, our gifts, our service, and our witness.

Thank you for your interest in digital giving. These are processed one of two ways.

1. Bank draft enrollment is the church's preferred method of receiving gifts. This is set up and managed by the church office. For your convenience, contributions will be automatically deducted from your account by the church on the 21st of each month. If interested, please provide information needed below.
