

The GUMC Safety Team and the GUMC Health & Wellness Committee would like to encourage you to complete or update your ICE information in your mobile phone for use in case of an emergency at GUMC or any other place in the community. GUMC Safety Team members and EMTs are able to access this basic information in your phone and call your emergency contact(s) without a password or FaceID.

iPhone Instructions:

- Open the HEALTH app (pink heart inside white box)
- Click Summary Tab
- Tap your profile picture in the upper right corner
- Tap Medical ID
- Tap Edit in the upper right corner
- Complete Information including adding Emergency Contacts from your contact list
- Turn ON Show When Locked
- Tap Done

**Android Instructions:**

- Open Settings
- Click Safety & Emergency
- Tap Medical Info
- Complete Information
- Turn ON Show on Lock Screen
- Go BACK to Safety & Emergency
- Tap Emergency Contacts
- Tap Add Contact to add emergency contacts from your contact list
- Turn ON Show on Lock Screen

We would also encourage you to include the following additional information so that first responders can provide the most effective treatment possible:

- Medical conditions
- Allergies & Reactions
- Medications
- Blood Type

- Organ donor status
- Height & weight
- Hospital Preference

If you would like GUMC to keep your ICE contacts on file with your membership information, print this form and turn it in to the Welcome Center.
